Maleny Players and Junior Drama Group

Maleny Players

Maleny players perform each year and produce one act plays, musicals and co-productions. Small cast plays are performed in our Playhouse, which is also where we rehearse, and larger productions are performed in the Maleny Community Centre and the Pavilion at The Maleny Showgrounds.

New members are always welcomed. Direction, stage management, lighting and sound are all part of what we do, as well as acting, so if you are interested in any of these areas of theatre, do join our friendly group.

The Maleny Playhouse is available for hire during the day by arts groups; please contact Ron at ronmaryh@westnet.com.au for availability.

The Maleny Players and The Maleny Singers have recently joined forces, creating Maleny Performing Arts Inc and look forward to bringing some very exciting joint productions to maleny audiences!
